**FINE PRINT:** Your non-refundable payment must be made and cleared in full before you are added to the calendar. Please remember to bring your marriage license. For most counties, this will be Two pages. A few counties have three separate sheets of paper the officiant must sign. Bring everything with you. A

fee of \$50.00 will be incurred if we must meet again to sign paperwork that has been forgotten. The client is expected to come to Ocean Springs, Mississippi to take care of this. The client is responsible for taking signed Marriage license back to court house within 5 business days of the Wedding Ceremony.

All fees paid are non-refundable. Ceremonies must start on time. You will be given a 15 -minute grace period for late arrivals. After this a fee of \$100.00 each 15- minute period following the grace period will be charged (no prorating). This must be paid in advance before starting the ceremony. I am sorry to have to implement this policy. However, so many weddings start late due to poor planning, that I must cover myself and ensure things start on time. This policy is strictly enforced! If I am late for another wedding, I must refund that fee. Obviously, under these circumstances, I should not be responsible for any such reimbursement.

In return, If the officiate is more than 15 minutes late due to poor planning, the client will be refunded \$100.00 per 15 minutes following the original grace period.

Exception: Acts of god and unexpected traffic delays such as major accidents which occur less than 1 hour before the wedding and that can be confirmed. With today's technology, construction and even most accidents that occur more than 1 hour before wedding can be seen on google maps or waze and therefore is not unexpected and should be planned for in advance.

If the wedding is cancelled, all fees are non-refundable and you will carry a credit on your account (less a \$50.00 cancelation fee) for a period of 6-months. This can be used toward any service offered by me. If the wedding is postponed, you may reschedule without penalty, Obviously, subjects to availability. Minimum 1 hour notice required for postponement to receive credit.

I

I have read and fully understand the fee schedule and appointment/cancellation policy.
